Vault Dweller {p. Wiki}	l	0
Description: You have grown up in a secure underground vault, shielding you from		
the savagery of the wastes. In the course of your life, you have learned the		
following skills: History (The Old World), NBC Suit, Savoir-Faire (Vault), Computer		
Operation, Soldier, Area Knowledge (Newvada), Driving (Automobile), First Aid		
(Human), Guns (Pistol). You also will have the Advantage Luck, the Disadvantage		
Sense of Duty (Team) as well as the quirk Bunker4Life.

PERKS		
Name		Pts
Bank shot (Guns (Rifle)) {p. GF17} Description: You can ricochet bullets off surfaces to hit a target behind a hostage.	[1]

around a corner, etc. The DR and HP of the things you're bouncing shots off aren't important – what matters is that these objects are convincingly hard. Roll to hit as usual, using the full range along the indirect path to the target, and add -2 per ricochet. You must specialize by shooting skill.

Flimsy Cover {p. GF19}

Description: They can't hit what they can't see! Whenever you take cover behind anything large enough to hide you, ignore Cover (p. B407) and Overpenetration (p. B408). Lampposts, trees, car doors, stacks of cardboard boxes, sofas, and the ever-popular overturned saloon table will shed enemy bullets like tank armor, regardless of DR and HP. This only works against small arms – and only while you hide. As soon as you expose yourself, the world works normally again.

Gun Shtick - Stone-Cold Killer (Guns (Pistol)) {p. B101, MA51, GunFu19}

Description: Every shot you fire is an instrument of intimidation! You don't just shoot enemies – you blast them through windows, blow off their limbs, and produce fountains of gore. On any turn during which you shoot someone and inflict a wounding effect beyond mere injury – crippling, knockdown, death, etc. – make an immediate shooting skill roll. Success lets you try Intimidation against any witnesses as a free action.

Quick Reload (Detachable Magazine) {p. GF21}
Description: You can reload in record time! You must specialize by reloading scheme: Belt (for machine guns), Breechloader (for double-barreled shotguns), Detachable Magazine (for most modern automatics), Muzzleloader (for black-Detachable Magazine (for most modern automatics), Muzzleloader (for black-powder guns), Swing-Out Revolver (formodern revolvers), etc. See High-Tech for a full list. A successful Fast-Draw (Ammo) roll lets you reload as a free action for Detachable Magazine or for Swing-Out Revolver (with a speedloader), or with a single Ready maneuver for every other specialty but Muzzleloader. For the Muzzleloader specialty, you can take several levels of this perk, and a successful Fast-Draw roll chops 25% per level off reload time, to a minimum of three seconds. This perk only seems cinematic. World-class competition shooters have demonstrated similar feats on high-speed film!

Tracer Eyes {p. GF22}

Description: You can see the paths of your bullets as they speed toward their target! Whenever you fire more than one shot at a target per turn, you get a noncumulative +1 to skill. This becomes a realistic perk for experienced shooters (Guns at DX+2 or better) with Acute Vision.

Walking Armory {p. GF23}
Description: No matter how many guns you carry, their weight never counts as encumbrance.Moreover, you need not concern yourself with the practicalities of how and where you carry them all. The weapons are still there, though – get Gizmos (p. 15) for undetectable guns.

ST "†": The weapon requires two hands. If you have at least 1.5 times the listed ST (round *up*), you can use a weapon like this in one hand, but it becomes *unready* after you attack with it. If you have at least *twice* the listed ST, you can wield it one-handed with no readiness penalty. But if it requires one hand to hold it and another to operate a moving part, like a bow or a pump shotgun, it *always* requires two hands, regardless of ST.

Shots "T": The weapon is a *thrown weapon*.
